### Optima® BASIC Plus feather pillows

The high-quality filling material Rhombo-fe®, which has guaranteed long-lasting comfort in the cushions of upholstered furniture for many decades, has now found a new function within the Optima BASIC Plus feather pillow.

Rhombo-fe® in the Optima BASIC Plus feather pillow offers exceptional elasticity that provides optimum support for the head and neck area. Unlike traditional fillings, the Rhombo-fe® filling retains its elasticity permanently as the material does not wear out and is extremely durable.

Schematic diagram

#### Down pillow

The softness or firmness of a down pillow is determined by the ratio of down to feathers. The higher the proportion of down in a pillow, the softer it is. A higher proportion of feathers increases the support it offers.

Product	Size in cm*	Fill weight	Art. no.
<b>BASIC</b> PLUS FEATHER PILLOW	40 x 80	500 g	6019
	50 x 75	650 g	6020
