PREMIUM mattresses – BERLIN HOTEL MATTRESS

Barrel pocket spring core mattress, total height: approx. 32 cm

The BERLIN hotel mattress offers outstanding resting comfort, as well as special climate properties, making it ideal for the most exacting hotel requirements. The high-quality barrel pocket spring core mattress is designed with a point-elastic Gel-active® wave cut pad that moulds to the contour of the body and promotes excellent air flow in the mattress. Air flow is also greatly assisted by the mattress side panels, which consist of a special climate band. The integrated topper is inside a separate casing and can be removed to be washed.
